

## **SCHOOL DIVISION GOALS AND OBJECTIVES**

The main goal of education is the development of human potential.

In order to achieve this goal the Division will strive to develop the philosophy, organizational framework, and policies which will promote a positive growth climate for all the people in the school system and which will stimulate the learner and the learning process to the greatest extent possible.

Specifically the Division will attempt to:

- 1) provide an education for each student that is appropriate for the individual abilities of that student;
- 2) promote in each student respect for self and for others;
- 3) encourage every employee to constantly improve his or her skills and abilities; and
- 4) provide effective leadership, capable staff, and appropriate resources in each school in order that the goals and objectives of the school division can be achieved.
