

Generating Report Cards – Grades 7-8

Generating Report Cards

1. On the **Start** page, make the preferred **Current Student Selection**.
2. Select from the **Left** menu > **Reports** > **Provincial Reporting** option.
3. On the **Reports** page, under the **Paper Reports** section, click the **MB Elementary Report Cards (7-8)** option.
4. On the **MB Elementary Report Cards (7-8)** page, make the preferred and appropriate options:

Report Parameters		(Check checkbox on the right to save as default value)	Clear All ▼

- This page is always accessible by clicking the **Report Queue** icon on the upper right area.
 - While the report cards are being generated the **Status** column would show **Pending**.
 - The report cards will be generated after some time depending on the number of students being processed.
- Click the **Refresh** button to verify if the Status is still **Pending** or has been changed to **Completed**.
 - Once the report cards have been generated, click the **Completed** link to download the generated report cards in PDF format.

10. Save the PDF file in a preferred folder in the local computer.

11. The steps for saving the file would depend on the **Browser** and settings being used.

- **Google Chrome** – will automatically download the file and save it in the **Downloads** folder in the local computer (default settings).
- **Microsoft Edge** – may give options to **Open** or **Save** the generated file. By default, it should automatically download the file and save it in the **Downloads** folder in the local computer (default settings).
- **Firefox** – will automatically download the file and save it in the **Downloads** folder in the local computer (default settings).
- **Apple Safari** – will open the **Save as** window giving options to save the file to a preferred folder.
- **Brave Browser** – will open the **Save as** window giving options to save the file to a preferred folder.
