

ADMINISTRATION IN POLICY ABSENCE

In cases where action must be taken within the school system and, where the Board has approved no guides for administrative action, the Superintendent or designate shall have the power to act.

Their decision, however, shall be subject to review by the Board at its regular meetings. It shall be the duty of the administrative staff to inform the Board promptly of such action and consider the need for policy in that particular area.

Approved September 1, 1977
Revised October 18, 1994
Amended August 8, 2017
