

TOOL ALLOWANCE

MECHANICS & TRANSPORTATION SUPERVISOR

The Transportation Supervisor and Mechanics employed at the School Bus Garage are eligible for a tool allowance. The purpose of the tool allowance is to reimburse part of the cost of specialized tools required for school buses and to help with replacement of tools due to normal wear.

The Division will pay an annual allowance based on 50% of tools purchased to a maximum Division cost of \$400 for each employee. Proof of tool purchases is required.
