

Extra/Co-Curricular Travel Procedures

Beautiful Plains School Division requires the appropriate planning to ensure the safety of staff and students when travelling for school events. The trips must be cost efficient and of benefit to the students.

All required forms must be completed and submitted to the division office prior to any extra-curricular activity taking place.

For all division sanctioned trips, the division considers the staff and students to be participating in school activities and therefore divisional policies and school rules apply. The staff member or approved designate is responsible for ensuring proper conduct of students while travelling.

The supervising teacher must:

- Become familiar with the “Beautiful Plains Bus Ridership Policy” (**Policy EDA**).
- Ensure that the division office has been provided a detailed itinerary for the trip including all planned stops as outlined on the “Request for Bus Transportation” form.
- Ensure that you have a copy of the URIS medical plans and Manitoba Health numbers for individual students participating in the trip.
- Ensure that you have a copy of all relevant contact information for parents in the case of an emergency.

Note: The decision to drive in inclement weather is at the discretion of the bus driver and the Transportation Supervisor as outlined in “Transportation Procedures in Case of Hazardous Weather” (**Policy EEA**).
