The Division will grant and consider leaves of absences without pay as outlined in the statements below.

Educational Assistants and Secretarial Staff:

It is recognized that educational assistants and secretarial staff play an integral part in the daily educational experience of our students due to their contact time. Given that, it is the belief of the Board that it is beneficial for these staff to take their vacations during the summer, Christmas and spring breaks in order to provide consistent service for students.

Leave of absence without pay for educational assistants and secretarial staff may be granted by the employee's immediate supervisor to a maximum of 3 days per school year. These days do not accumulate and cannot be carried forward to subsequent years.

The immediate supervisor can approve consecutive days leave up to the maximum provided for in item K. and item N. (above) of this policy.

Other Non Teachers:

It is recognized that every staff member in the division is crucial to the overall operation of the division. It is the Board's preference for "Other Non Teachers" to take leaves when it will have the least impact on the school and students.

Leave without pay of 3 consecutive days per school year may be granted by the immediate supervisor.

The immediate supervisor can approve consecutive days leave up to the maximum provided for in item K. and item N. (above) of this policy.

Requests for leaves for non-teachers without pay due to extenuating circumstances over and above leave provided under item K. and item N. in the above policy must be submitted to the Board and will be considered on an individual basis.

In all cases, leaves of absence (without pay or with pay or a combination of these) in excess of three consecutive days that have been approved by the immediate supervisor will be reported to the Senior Administration by the supervisor and then reported at a Regular Board Meeting.
