

Categories – PowerTeacher Pro – Grades 1-6

Creating Categories

To Create an Assignment, click on the **Plus** icon > select **Category**

The following screen will appear.

The 'Create Category' form is displayed in a modal window. It has a title bar with a question mark and a close button. Below the title bar are three tabs: 'Category', 'Assignment Defaults', and 'View All'. The 'Category' tab is active. The form contains the following elements:

- A dropdown menu labeled 'Limit this category to these classes' with 'All Classes (22-23)' selected and a 'Select Classes' button.
- A text input field for 'Name*' with the placeholder text 'New Category Name'.
- A color selection dropdown currently set to 'Blue'.
- A status selection with radio buttons for 'Active' (selected) and 'Inactive'.
- A 'Description' section with a rich text editor toolbar (bold, italic, underline, text color, background color, size, bulleted list, numbered list, link, unlink, image) and a large text area.
- A character count at the bottom right of the text area: 'Characters (with HTML): 0/4000'.
- A green 'Save' button at the bottom right of the form.

- Select which classes (courses) the category will be used in.
- Create the **Category Name**.
- Select a color.
- You can add information about the assignment in the **Description** area.
- Click the **Save** button.
- Repeat the steps until you have created all the categories for the course or courses.
