

SECOND LANGUAGE PROGRAMS FOR ELEMENTARY GRADES

The Division supports and encourages the teaching of a second language program in the elementary grades.

The Division therefore approves the teaching of an introductory Conversational French program in grades K - 3 and the teaching of the Department of Education Nine Year Basic French program beginning at grade four.

The Division supports the teaching of German as an alternative to French at the Hutterite Colony Schools.

The Division also encourages the development and extension of expertise in the teaching of a second language throughout the elementary teaching staff of the Division.

Approved April 15, 1980
Revised October 18, 1994
