

VOCATIONAL PROGRAMS

The Board acknowledges that it may be desirable for some Beautiful Plains students to attend in other School Divisions in order to enrol in a vocational program that is not provided by our Division. The Division may agree to accept responsibility for the residual costs levied by such Divisions under the following conditions:

- (a) that the student is a legal resident of our Division
- (b) that the student is enrolled in a vocational program not offered in the schools of this Division
- (c) that the progress and attendance of the student is satisfactory to the Board.
- (d) that a written request to attend a vocational program has been received by the Superintendent from the parent or guardian.
