

CHALLENGE OF LIBRARY RESOURCE MATERIAL SELECTIONS

The goal of the school libraries within Beautiful Plains School Division is to provide books to support the Manitoba Education Citizenship and Youth curriculum and to encourage curricular activities such as recreational reading. It is the goal of the library to provide a balanced collection of books

Any parent/guardian of a child enrolled in the school system may challenge resource materials found in the library.

Procedures for reconsideration:

- Complainant must meet with the principal.
- The principal will provide the complainant with the form "Request for Material Reconsideration". The complainant will be responsible to fill out the form and return it to the principal.
- The principal will investigate the complaint and make a decision.
- If the complainant is unhappy with the decision, they may appeal to the Superintendent.
- If the complainant continues to be dissatisfied, an appeal for reconsideration may be made to the Board.
