

## **Beautiful Plains Isolation Room Protocol**

1. Plan to have two spaces as isolation rooms with locations identified in each school's plan.
2. A staff member and student will perform hand hygiene before entering and exiting the room.
3. A staff member will wear a mask, and gloves when accompanying the child in the isolation room.
4. Each isolation room should have disinfectant supplies and paper towels.
5. The caretaker will thoroughly clean each isolation room after each use.
6. Furniture should be non-porous and easy to clean.
7. Hand sanitizer available in each room.
8. A garbage can with a plastic bag in each room.
9. Dedicated staff members for the isolation room should be identified.
10. Staff members designated to provide care in the isolation room should have a spare set of clothes on hand.
11. Only one symptomatic person per isolation room.
12. Students to be monitored by a staff member at all times
13. Isolation room will be thoroughly cleaned and disinfected after each use.
14. Any PPE that was used must be disposed of or sanitized
15. Every isolation room will contain the following: masks, shields, reusable gowns, gloves, wipes, hand sanitizer, cleaning solution
