

ACCIDENT REPORTS

Any injury sustained by a student or staff member, that requires medical attention, must be reported to the Division Office in writing within 48 hours.

All injuries that occur in school buildings at any time, or on school grounds during the school day or during school sponsored activities, or while in transit to school or school activities either within or outside the Division, or while on school sponsored activities either within or outside the Division, are to be considered as a part of this policy.
