

SMALL ENROLMENT SCHOOLS ON HUTTERITE COLONIES

School Divisions have the responsibility within the Public Schools Act to determine the location of schools and the grades and programs to be offered at each school.

In carrying out this responsibility and in recognition of the uniqueness of the colony situation, the Beautiful Plains School Division will provide a public school in each colony that has an enrolment of at least fourteen full time equivalent students. If the enrolment is less than fourteen full time equivalents, a school will be supported provided that satisfactory arrangements regarding building and staff can be made and provided that the colony cost shares as follows:

- For Colony schools with an enrolment of less than 10 students, a teacher will be provided on a cost recovery basis.
