

## **STUDENT INSURANCE PROGRAM**

The Board authorizes each school to offer to the students the opportunity to participate in the student accident insurance plan endorsed by the Manitoba Association of School Trustees.

Although participation in this accident insurance plan is on a non-compulsory basis with the decision to participate resting solely with the parents or legal guardians, enrolment is recommended for students who plan to participate in athletic activities.

Approved September 1, 1977  
Revised October 18, 1994  
Revised November 3, 1998
